Grades 1, 2, 3, 4, 5 & 6 Modern	The ISTD Modern Theatre Graded syllabus provides a progressive and enjoyable programme for dancers of all abilities. Through Grades 1 – 6, students develop strong technique, flexibility, coordination, musicality, and performance skills while exploring a wide range of modern dance styles. As they progress, dancers build strength, stamina, expression, and confidence, with each grade introducing more challenging movements and choreography. The graded syllabus offers an excellent foundation for students who dance for enjoyment as well as those wishing to progress to vocational training.	Year 2 through to Year 9
Intermediate Foundation, Intermediate, Advanced 1 & Advanced 2 Modern	The ISTD Modern Theatre Vocational syllabus is designed for committed dancers who are ready to progress to a higher level of technical and artistic training. Through Intermediate Foundation, Intermediate, Advanced 1 and Advanced 2, students develop strength, flexibility, coordination, musicality, and expressive performance skills while mastering more complex movements and choreography. The vocational syllabus encourages discipline, confidence, and technical excellence, providing an ideal pathway for students considering further dance training, teaching qualifications, or a career in the performing arts.	Year 9 upwards
